

# INSTRUCTIONS

1. Conduct "Blind Draw" of players/teams registered placing names in consecutive order starting in position No. 1 - Fill in blank spaces with word "bye". "Byes" should be dispersed as evenly as possible based on number of entries.
2. Commence tournament until all matches are completed. Players/teams drawing "byes" automatically win and advance to next space. Participants losing two matches are eliminated.
3. The challenger must defeat the leader two consecutive matches to win the playoffs for first place. The leader will be declared "champion" by winning a single match in the playoffs.
