Music Service Dart Players

Your PPD & weeks played are different according to the qualification period listed for each tournament.

I will fill your current PPD in on your tournament entry form.

If you need to know how many games you have in for a certain time period; or what your PPD is, shoot me a text with your information and I will get the information back to you.

And please allow some time for this. I will not always be available after hours or during vacation.

Thanks!

Nate 605-553-1712
